### The Roosevelt Memorial.

What shall be the nation's monuto millions of Americans.

The first of these questions can be enswered only after the most careful consideration of every side of the matter, æsthetic, sentimental, prac tical, and even political-not in the partisan sense, but with regard to the and some of them, perhaps, objection- QUINCY ADAMS has lived to be 80. able. That which is finally adopted The three oldest Presidents were the must be the best of them all

The second question, as to the prois easier to answer in a general way tration of the sixth President-a day

It has already been suggested to THE SUN by several friends and correspondents that this newspaper shall undertake the initiative. No doubt proper to say that in our opinion there and Van Buren; and none from the newspaper should be primarily identified with the financing and building. of the Roosevelt Memorial, no matter table of our departed Presidents ofhow keen its interest in the plan, or fers an interesting requence: how well insured its sympathetic cooperation. .

The movement should be nation. wide, and whether conducted under official or unofficial direction it should be so organized as to represent, from start to finish, in the broadest possible way, the entire sisterhood of States and the united purpose of the entire American people.

In his service of forty years Major-General James Franklin Bell displayed in an unusual degree the distinguishing qualities of a superior commanding officer. He was above all an able and resourceful field general; he was a capable administrative officer, and he showed marked ability in the education of the soldier and in the development of an Americhunrmy.

It was this uncommon combination of the qualities of a soldier that decided his selection over a number of men of higher rank as Chief of Staff in succession to General Barrs. He had been a second lieutenant for twelve years, and he was only a first dents took office was 55, and the averlieutenant at the beginning of the sge period of their lives after that war with Spain. This war and the was fifteen years. So, in a way, the troubles in the Philippines gave him Psaimist scores after all, for the averthe opportunity that years of peace had not afforded. In eight years he rose from a first lieutenancy to be the active head of the army.

General Bell achieved his highest distinction as a field effect in his repression. Submitted to the revolutions in the Luconic state of the revolutions in the Luconic state of the revolutions in the Luconic state of the American and the master could him the adjustance produces and in the pacification of the latter province. It was this work, that gathen yound of spirit was the work, that gathen yound of the latter province, it was this work, that gathen yound of spirit was the work, that gathen the lives are longer than the live years were nothing. It was the work that gathen the lives are longer than the lives are longer than the lives are longer than the longer of the American at the discovered that the anxiew axy but the finding qualities of the Pilipino but the fighting quali

## EVENTS TO-DAY.

Address by Dr. M. H. Harris en-sar's Survey." Temple Israel of Harris and Israek avenue, A to F. Board of Fire Underwriters, 76 William street, 19 A. M. The master horologist who complains about the poor visibility of the City Hall clock dial should remember the exhausted patience of the public before that defective dial was set up.

American soldiers are finding soap an excellent medium of exchange for January 1, 1919, contained a notable received to coin. Is this the median recessaries, the content of the property of the corporation in favor of health and the content of the composition in favor of health and the content of the composition in favor of health and the content of the composition in favor of health and the content of the composition in favor of health and the content of the composition in favor of health and the content of the corporation in favor of health and the content of the composition in favor of health and the content of the composition in favor of health and the content of the composition in favor of health and the content of the composition in favor of health and the content of the composition in favor of health and the content of the corporation in favor of health and the content of the corporation in favor of health and the content of the corporation in favor of health and the content of the corporation in favor of health and the content of the corporation in favor of health and the corporation of th
